A wedding at the White House is a rare occurrence, and although the President is a busy man, the marriage of a daughter of his, and the wedding of a son, being one of the most important duties of the President, the President has been obliged to leave the White House for a few days, in order to attend to these duties. The President's daughter, Miss Mary Elizabeth Boutelle, was married to Mr. John H. Burr, of New York, on Thursday, May 1st, at the White House. The ceremony was performed by the Rev. Mr. Smith, of New York. The President and Mrs. Grant were present, and the wedding was a very successful one.
